Now that Duncan is no longer the leader at Venturers we are all going to have to do a bit more!

If your name isn't down for at least two sessions can you email me (Anna) or Sally to say which ones you can help at? You won't necessarily have to run a session just be there to help, although if you can run a session that would be marvellous!

If you can't help at the session you have been put down for please arrange an alternative helper – as a parent led organisation we won't be able to continue without your help and involvement!
