The Woodcraft Folk Elfin and Pioneer Rules

empowering young people

👤 When a leader shouts “Woodcraft”, -
you all answer with a shout of “Folk” -
then be quiet and listen!

👤 “Hands Up” for quiet!

A leader will put one hand up in the air and stand quietly, until everyone else does the same.

- 👤 When called to the circle, stay in the circle.
- 👤 Listen when someone is talking to you.
- 👤 Don't play football or throwing games inside,
always outside.
- 👤 When outside, don't go over the fence or
through the gate.
- 👤 Play fairly and be polite.
- 👤 Respect the rules; Respect the Scout Hut;
Respect the Leaders;
Respect everyone in the group!
